Elevation Land Trust's Statewide Doors to Opportunity Program offers down payment assistance and subsidies for a home you qualify for, but funds must be spent by September 30, 2026, meaning you must close on your home by that date to take advantage of the offer. There are currently enough funds for 65+ households to take advantage.

Join this free, virtual information session to learn who qualifies, what it means to work with a land trust, get connected to free homebuyer education classes, and understand how to navigate the process using a broker or lender of your choice (with optional referrals available).

This webinar is designed for:

- Potential homebuyers within the MTSP income limits, based on household size and meet the asset eligibility requirements. Not sure if you do or want support figuring out eligibility? Attend the info session to learn more!
- Agents, brokers and lenders with clients in this income range
- Brokers with properties around the \$500,000 price point who want to ensure eligibility for the program
